NOTE FOR: Eloise Page

STAT

1. I would like very much to spend an additional year on the Staff.

2. The only problem I foresee is that current AF policy precludes more than six years in the Washington area. I had four years at DIA prior to my two-year assignment to ICS.

3. I am told that some requests in similar cases are approved, some are not. I would prefer to submit this as a routine action and see the outcome, before trying to personally influence the decision.

TOUR COMPLETION DATES

June 1984

June 1984

June 1984

2. In order to effect timely replacement action, we need to know if you desire to replace these officers with other members from the military services. If a replacement are required, we will need a list of desired qualifications, e.g., grade, education, experience, and language. We will also need the desired reporting dates.

3. In lieu of a replacement, you may wish to request a one year extension of tour on these officers. If so, you should do so at this time. The military services begin to plan an officer's next assignment about a year in advance and it is essential for them to know if a request for extension to their present assignment is forthcoming.

4. To preclude any delay in replacing these officers or having extensions granted, please advise of your intentions by 23 June 1983.
